

For the past 40 years the Dauphin Agricultural Society has proudly offered Farm Outlook, a one day seminar to the agricultural producers in our area by bringing in expert speakers who share their knowledge on a wide variety of agriculture topics.

In 2024, the Dauphin Agricultural Society is offering a one-time award of \$ 2,000.00 towards the first or second year of tuition for post secondary studies in Human Ecology, Agriculture, Environment, Food Science, Human Nutrition, Agriculture Engineering or Veterinary Medicine (applicant may be entering University 1 with the intent to pursue a degree in one of these areas), a university diploma in Agriculture, community college diploma in agri-business, vet technician or other agriculture related course including apprenticeship programs at any post secondary educational institution in Canada or the USA.

Applicants:

1. may be entering their first or second year of post secondary study and
2. must have their permanent residence in communities within the geographic area including the Rural Municipalities of Dauphin, Ochre River, Mossey River, Ethelbert, Ste. Rose, Alonsa, Laurier, Gilbert Plains, Grandview, McCreary, Lawrence or Mountain, the unorganized territories of the Waterhen area or Crane River area.

The bursary must be utilized within eighteen months of being awarded.

The deadline to submit applications is **MAY 24, 2024**. For a copy of the application, and more information on the selection criteria and process, please contact one of the school guidance offices or the Dauphin Ag Society at 638-4428 or email at [dauphinagsociety@hotmail.ca](mailto:dauphinagsociety@hotmail.ca). or Jamie Damsgaard at [Jamie.damsgaard@gmail.com](mailto:Jamie.damsgaard@gmail.com)
